SUMMARY

I am a tech-oriented, effective communicator and a motivated team player. I have experience in JavaScript, Python, HTML, Node.js (Express), Flutter, React, and Tailwind CSS. I am currently pursuing Software Engineering and Computer Science with a focus on programming and development.

EDUCATIONAL BACKGROUND

Kalinga Institute of Industrial Technology University – Bhubaneswar, India

Oct 2024–August 2028

BSc in Computer Science

Coursework: Computer Science, Command-Line Learning, Project Management, Programming, Machine Learning, Database.

African Leadership University – Kigali, Rwanda

Software Engineering

May 2023 – August 2026

Relevant Coursework: Human Interaction Center, Project Management, Software Engineering, Programming & HTML, JAVASCRIPT, Shell Scripting, Python, Node.js Express

SALAHLEY Secondary School- Hargeisa, Somalia

September 2017- July 2021

Relevant Coursework: math, Chemistry, SNLE, Calculus & Physics

PROFESSIONAL WORK EXPERIENCE

Software Engineering Intern

RAMAAS Software – Hargeisa, Somalia

Jan 2024 – September 2024

- Worked as a full-stack developer, handling both front-end and back-end tasks.
- Built responsive and dynamic user interfaces using HTML, CSS, Tailwind CSS, and JavaScript.
- Contributed to back-end development using back-end tech like Python/Flask, Node.js,
- Collaborated with other developers to build scalable web applications.
- Participated in debugging, testing, and deploying applications.

SKILLS

- Web Development: HTML, CSS, Tailwind CSS, JavaScript, React
- Back-End Development: Python (Flask), Node.js (Express)
- Version Control: Git, GitHub
- Operating Systems: Linux Basics
- Coding & Mentorship: Delivered coding lessons on HTML, CSS, JavaScript to youth, mentored beginners in web development
- Mobile app development: flutter(dart), firebase
- Problem Solving & Research: Developed solutions for beginner-level web projects and guided students in troubleshooting coding challenges

EXTRACURRICULAR ACTIVITIES

Volunteer Teacher, Orphanage School

(2020)

- Taught Math and English to 4th and 5th-grade students, providing foundational education and mentorship to needy young learners. Focused on building strong literacy and numeracy skills in a supportive learning environment.

Certificate of
